RARE RIVERFRONT LIVING FLOWING WITH OPPORTUNITY

Welcome to Faber Residence where serenity and nature surround you, and your home is luxuriously situated by a river. Yet moments away, Clementi buzzes with vibrancy, and Jurong Lake District nearby offers new ways to work and play. You're also at the centre of opportunities for growth from education, innovation and beyond. Tranquillity yet proximity to all the action? Your home doesn't ask you to choose. It gives you both.

THE HEART OF NATURE.
THE CENTRE OF ACTION.

A PRIME NEIGHBOURHOOD IN CLEMENTI

The moment you enter Faber Walk and its surroundings, it is clear that this is a very special enclave of private houses and wide streets. Set in one of Clementi's most exclusive neighbourhoods, what crowns life at Faber Residence is living by a river, a rarity in urban Singapore.

Yet, moments from this serenity is the vibrancy of Clementi and its rich offerings from malls, a diverse food scene, nature and recreation, to the flourish of schools forming an education belt.
