Every reasonable care has been taken in the preparation of the location map. The map is printed as at June 2023 for reference only. For information on the permissible land use and density of sites around the housing project, the intending Purchaser may refer to the Master Plan available from the website of the Urban Redevelopment Authority at www.ura.gov.sg.

Artist's impression

At 24-storey high, The Myst rises above the verdant landscape of Upper Bukit Timah, a district surrounded by nature parks and reservoirs. Like a modern-day forest, this pristine development exudes an air of splendour in the midst of urban living.

Coming home feels as exclusive as arriving to a luxury resort. Along the Welcome Boulevard, tropical trees flank the perimeters of the driveway, ushering residents and visitors into the Arrival Court and Sculptural Courtyard in the most distinguished way.

A GRAND WELCOME INTO YOUR PRIVATE SANCTUARY

Grand Plaza

UNIQUE FACILITIES TO IGNITE YOUR OWN FUN AND ADVENTURE

Be spoilt for choice by the array of recreational facilities at The Myst, each creatively designed to evoke a sense of wonder and adventure in a forest-like setting. Relax and bask in the sunshine at the tranquil 50m Infinity Pool, nestled amidst verdant foliage. The Forest Adventure playground, with its exciting features and imaginative layout, promises hours of endless fun for kids. Whether it's playtime or family time, The Myst offers a perfect retreat to reconnect with nature and rekindle the joy of exploration.

EXCEPTIONAL COMFORT
INSPIRED BY NATURE

Living room designed for function and flow

Indulge in a luxurious home that blends nature's serene ambience seamlessly with modern urban living. From the functional interior spaces to the balcony, The Myst provides a perfect balance of relaxation and vibrancy for those who live in it.

The use of a neutral colour palette enhances the sense of spaciousness and serenity, while thoughtfully placed details add a touch of understated elegance to the finishes, elevating the sophisticated feel of the home.

UNMATCHED QUALITY IN EVERY DETAIL

Thoughtfully designed kitchen for culinary explorations

Well-appointed bedroom spaces designed for restful sleep

Dining area to accommodate your guests and sense of style

At The Myst, the attention to detail extends beyond space planning to encompass aesthetics and functionality. The kitchen is equipped with branded appliances from Bosch and SMEG, transforming cooking into a pleasure. The bathrooms come with premium brands from Hansgrohe, Geberit, and Kohler, making every bath time a rejuvenating and indulgent experience.

The Myst is truly a masterpiece of luxury and refinement, catering to the most discerning of tastes.

Sophisticated fittings complement your resort-style bathroom

LIVE FRESH AS YOU LIVE GREEN

The Myst is a proud recipient of the BCA Green Mark Gold^{Plus} Award. This ensures that you can take pleasure in a home that not only provides the best of modern comforts, but does so with your interest—and that of the earth—at heart.

Passive Cool Design Architecture

- The residential units are designed with adequate openings for good natural ventilation within the units.
- The building is designed with North-South orientation, extensive façade vertical fins and good glass specifications to minimise solar heat gain.
- Residential units have deep balconies and horizontal ledges which provide shade for the interiors.

Environmental Quality and Protection

- Extensive landscape area and water bodies within the development to enhance the quality of natural environment on site, as well as provide visual relief to the residents.
- Provision of extensive amenities such as physical exercise facilities, playgrounds, function rooms, gardens, pools and drinking water points for user comfort.
- Common areas are designed with natural elements and direct visual access to greenery.
- Selection of sustainable materials to reduce overall embodied carbon of the development, minimising carbon footprint.

Water-Efficient Features

- Selection of water-efficient fittings for units and common areas.

Energy-Efficient Features

- Provision of energy-efficient air-conditioning systems for both residential units and common areas.
- Provision of LED light fittings and energy-efficient electrical equipment for energy savings.
- Use of motion sensors for lighting demand control at common areas to minimise energy wastage.
- Provision of energy-efficient lifts with Variable Voltage Variable Frequency (VVVF) drive and sleep mode features.

Other Green Features

- Provision of bicycle lots at basement to promote green transport and healthy lifestyle.
- Smart condo management system for residents to book facilities and provide operational feedback.
- Provision of pneumatic waste collection and disposal system.
- Provision of double refuse chutes to separate recyclable and non-recyclable waste.

LUXURY LIVING NEVER LOOKED SMARTER

Like a dedicated concierge at your service, your home comes with a suite of smart features that gets you everything you want done, easily with one tap on the app.

Smart Home

Smart Home Gateway
Allowing you to remotely control the smart devices provided via the smart home app on your mobile device.

Smart Digital Lockset
The convenience of locking or unlocking the door remotely. You can also use pincode, biometrics, key or access keytag.

Smart Lighting Controls
Schedule the lights in your foyer to come on automatically or check if you have forgotten to turn them off.

Smart Air Con Controls
Hot day? Turn on the air conditioning remotely and have the home cooled in preparation for your return.

Smart Voice Assistant
(using Google Home App)
Hands-free control of your smart home devices. With a smart voice assistant, you can also ask about the news, weather and traffic; set reminders; play music; and more.

Smart Surveillance
Enjoy the added security of remote surveillance with smart camera at home.

Smart Community

Smart Invite
Pre-register your visitors and generate a QR invite to allow them easy entry to the development.

Smart Booking
Check on the availability for the booking of facilities.

Smart Audio Video Telephony
Let visitors announce their arrival at the lift lobby so you can let them in with a simple tap.

Residential Services

Completing your life of ease, our team of Residential Hosts are on hand to provide seamless assistance. From your day-to-day needs such as arranging for laundry, delivery acceptance and transport bookings; to special occasions like catering for parties, restaurant reservations and more* – it's all taken care of.

*Selected services are chargeable. Terms and conditions apply.

CITY DEVELOPMENTS LIMITED

Singapore's Trusted Property Pioneer Since 1963

City Developments Limited (CDL) is a leading global real estate company with a network spanning 143 locations in 28 countries and regions. Listed on the Singapore Exchange, the Group is one of the largest companies by market capitalisation. Its income-stable and geographically diverse portfolio comprises residences, offices, hotels, serviced apartments, student accommodation, retail malls and integrated developments.

With a proven track record of 60 years in real estate development, investment and management, CDL has developed over 50,000 homes and owns around 21 million square feet of gross floor area in residential for lease, commercial and hospitality assets globally.

OFFICIAL MARKETING AGENCY

Huttons

SINGAPORE'S LARGEST PRIVATE REAL ESTATE AGENCY

ESTATE AGENT LICENCE NO.: L3008899K

While reasonable care has been taken in the preparation of this brochure, neither the developer nor its agents will be held responsible for any inaccuracies or omissions. To the extent permissible by law, the statements, information and depictions in this brochure may not be relied upon as statements or representations of fact, and they are not intended to form any part of the contract for the sale of the housing units. In particular, visual representations such as renderings, illustrations, pictures and drawings are artists' impressions only and photographs are only decor suggestions and cannot be regarded as representations of fact. The brand, colour and model of all materials, fittings, equipment, finishes, installations and appliances supplied shall be provided subject to the developer's architect's selection, market availability and at the sole discretion of the developer. All information and specifications contained in this brochure are current at the time of going to press and are subject to such changes as are required by the relevant authorities or the developer. All plans and models are subject to any amendments which are required or approved by the relevant authorities. All areas and measurements stated in the brochure are approximate only and subject to final survey. The Sale and Purchase Agreement embodies all the terms and conditions between the developer and the purchaser and supersedes and cancels in all respects all previous representations, warranties, promises, inducements or statements of intention, whether written or oral made by the developer and/or the developer's agent which are not embodied in the Sale and Purchase Agreement.

Smart Home: The unit will be supplied and installed with the following items ("SMART Home System"): a) Smart Home Gateway, b) Smart Voice Assistant, c) IP Camera, d) Digital Lockset, e) Lighting Control, f) Air-Conditioning Control System. The make, model, brand, design and technology of the SMART Home System to be supplied and installed in the actual unit may differ from the above illustration and are subject to change. Terms and conditions apply. Buyers shall be required to liaise with the smart home vendor instead of the developer to make all arrangements for the set up and configuration of, and for any queries, defects, maintenance and/or upgrade issues with the SMART Home System at buyers' own costs. Items/devices which are not listed above are not included in SMART Home System and may be purchased from the smart home vendor directly and installed at buyers' own costs after the handover of the unit.

Residential Services: Please note that the use of these services and facilities are chargeable as they are provided by third party service providers ("Service Providers"). While our Residential Host will assist in making arrangements, all costs incurred for use of these services and facilities are to be borne by residents. Provision of these services and facilities may be modified according to availability and at the discretion of the Service Providers. The Service Providers also reserve the right to terminate the services and facilities without prior notice. Other terms and conditions apply. Visual representations are not representations of the actual provision.
